OFFER FOR FREE EXCLUSIVE LICENCE IN SOUTH AFRICA

We, the inventors of **'Futuristic Safe Injection System-2020'** patented in USA, UK, CHINA, & SOUTH AFRICA (pending in Japan & India), are pleased to bring to your kind notice that we have decided to grant a FREE OF COST EXCLUSIVE LICENCE within the jurisdiction of SOUTH AFRICA for *making, using, selling and offering for sale (manufacturing and commercialisation)* of the said invention initially for 5 (five) years (further extendable until life of the patent) to effectively & extensively support the COVID-19 VACCINATION and to cater all other ongoing healthcare programs/ general healthcare needs of public in South Africa in order to pay our sincere heartfelt *tribute* to our *Mentor & Inventor* **Dr. (Mrs.) Neelam Rathore**, who unfortunately left for her heavenly abode during the pandemic on 15.04.2020.

The LICENSEE may also be granted authority to issue sub-licences / franchises within its aforesaid jurisdiction, if expedient, to meet the genuine and bona-fide demands of public subject to final approval of RESCITECH VISION Pvt. Ltd. (OPC).

The prospective LICENSEE may, if he so desires, *voluntarily* contribute to RESCITECH VISION Pvt. Ltd. (OPC) in order to sustain and support the further research & development program of **Dr. (Mrs.) Neelam Rathore** in the field.

The serious proposals shall be considered based on their merits and proven capabilities of commercialisation to implement the licence effectively in full swing to meet the genuine demands of end-users/public at large in South Africa and the preference shall be given to such institution/organisation/licence-seeker, who may ensure commercialisation of said invention to bring the product in market for the benefit of end-users/public at large at the earliest point of time to effectively & extensively support the COVID-19 VACCINATION PROGRAMME and to cater all other ongoing healthcare programs/general healthcare need of public in South Africa. The decision of RESCITECH VISION Pvt. Ltd. (OPC) in this regard shall be final and binding.

The written submissions for grant of said proposed Licence may be submitted by duly authorised persons on behalf of legal entities, institutions/organisations etc. to Director, RESCITECH VISION Pvt. Ltd. at director.exec@rescitechvision.com on or before 30.01.2021 *showing expression of interest along with profile and proven capabilities of commercialisation to implement & enforce the said licence effectively & extensively* for intended purposes within the jurisdiction of South Africa.

The Rescitech Vision may also be contacted at info@rescitechvision.com for further queries.

The details of invention are enclosed herewith for appraisal.
